How Does the Poppin' Popcorn Online Fundraiser Work?

- **Welcome to Poppin' Popcorn! Our contactless, 100% online popcorn fundraiser, earns your group big profits!**
- **Easy and fast to start selling online, our popcorn fundraiser earns your tax-exempt organization a 50% profit with no fees. There are no order forms, no money collection, and no delivery headaches. There is no cost to set up your online store.**
- **As a sponsor, signing up and inviting your participants has never been easier. Sponsors simply invite your participants by email, mobile device, or handing out the "Support My Fundraiser" brochure.**
- **Participants will receive a message with a link to sign up. Your participants can sell to your customers completely online via social media, emailing, or send text messages by using a computer, tablet, or smartphone.**
- **Customers simply click on the link you send them, enter the seller ID, choose from 16 delicious 1-gallon and half-gallon size bags of popcorn, plus 16 candy and snack selections, and pay by using their credit or debit card. All items are priced \$16-\$20 each. Customers can also scan a QR Code displayed with a smart phone or text to order and pay.**
- **All orders are shipped directly to the customer's home and when the fundraiser ends, a check is sent directly to the organization.**
- **There is no door to door selling and no sorting or delivering products in person. All sales can be made from the safety of your own home by using your very own seller dashboard.**
- **Family and friends can help out too! They can simply post your store link and seller ID to their Facebook page, they can send emails with the link, and text your seller ID to their friends and family to increase your potential sales. You can then watch your profits roll in as your goals are reached right from your phone or pc!**
- **At the conclusion of your fundraiser, a check will be sent to you for your 50% profit.**
- **Fundraising has never been so easy and safe! Get started today. Call us at 860-384-3691.**
